Message From the Managing Director

KAS Juruukur Bahan Sdn Bhd is an established quantity surveyors firm that provides the highest quality

of surveying services which are suitable for Malaysian and international markets. We have been working hard to create an organizational structure that puts us in the best position to achieve our vision and mission by driving KAS Juruukur Bahan Sdn Bhd to be a leading quantity surveyor firm in the country. We realize that enhancing client benefits is the only way we can survive and grow in this fierce competition.We promise that we constantly challenge ourselves to improve the level of our services without jeopardizing the quality. Ours is a service that MUST be done and we do it well. Client satisfaction with the overall quality of our service continues to grow and I am proud to be a part of the organization that is committed to provide excellence service.
